Benefits and Services

Coventry Health Care of Kansas, Inc. provides coverage for major medical services, such as hospitalization, outpatient, preventive care, diagnostics, surgeries and office visits. Each benefit plan also has certain limitations and or exclusions. For complete benefit information about covered services, limitations and exclusions, please refer to your member materials. This includes Evidences of Coverage or Certificate of Insurance, Benefit Brochure or Summary of Benefits.

Financial Responsibility

Your employer will tell you the amount of the coverage you have to pay. You also pay for any deductible, copay or coinsurance amounts up to your annual out-of-pocket maximum. This information is listed in the Benefits Brochure or Summary of Benefits.

Charges by non-participating providers above the maximum allowable charge are not covered. You pay these charges directly to the provider. Refer to the non-participating provider coverage section for more information. This does not apply to emergencies.
